Camp Chikopi is located by Ahmic Lake in the green forests of Almaguin Highlands, Ontario. It's 185 miles north of Toronto and 30 miles east of Parry Sound, offering a beautiful natural setting on 400 acres.

Background and Philosophy

Camp Chikopi is a small, family-owned camp. It began in 1920 by U.S. Olympic Coach Matt Mann II. It's the world's first all Sports Camp and the first Swim Camp. For 104 years, it has upheld traditional values set by Matt and Lea Mann. The camp helps boys grow personally and build strong teamwork skills through sports, fostering qualities like independence, self-confidence, strength, and safe risk-taking.

At Camp Chikopi, we prioritize a tech-free experience. Our focus is on giving your son an extraordinary time in the great outdoors while enjoying various sports. Chikopi is where your child can enhance their fitness, boost self-confidence, and improve communication skills. Boys from all over the world come to join us, creating a diverse and exciting environment. With this mix of boys, there's never a dull moment, and strong friendships are built to last. We offer an experience every boy should have, all in a fun and safe environment.

Daily Schedule

A day at Camp Chikopi typically goes like this:

- We start with an early-morning fitness activity to get everyone moving.
- Then it's time for a hearty breakfast to fuel up for the day.
- We all pitch in for a cabin cleanup to keep things tidy.
- The main part of the day is dedicated to three classes of sports instruction, where campers learn and play a variety of sports.
- Lunchtime is a chance to refuel and relax.
- We also have a special moment with mail call and a visit to the camp tuck shop.
- In the afternoon, it's time for team practices in activities like sailing, soccer, softball, swimming, and tennis.
- The day continues with exciting team competitions.
- For those looking for something extra, there are elective activities to choose from.
- We all gather for a delicious dinner to refuel.
- The evening is filled with organized activities and, at times, a campfire or special event.
- There's a snack to satisfy those evening munchies.
- Finally, it's bedtime to rest up for another adventurous day ahead.

Program Offerings

Camp Chikopi is a place where your son can have a blast with over 25 land and water sports. Whether he's just looking for fun in the sun or happens to be a sports prodigy, we've got programs that will make his summer dreams come true!

But that's not all - at Chikopi, boys discover so much more than just sports. It's a life-changing adventure where they build character, loyalty, leadership skills, and make lifelong friends. They'll find a sense of belonging and realize that they're capable of achieving more than they ever thought.

Since our beginning in 1920, we've kept our camper-to-staff ratio at 3:1. With a small and friendly group, your son will know everyone by name in just a few days. Plus, our small classes mean he receives personalized instruction in all of our awesome land and water sports. It's a recipe for an unforgettable and exciting summer!

Sports

Camp Chikopi is the perfect place for your son, even if he's not the most active kid. Here's why:

We have an awesome team of highly skilled, friendly staff who provide daily sports instruction. We often have visiting Olympic and National coaches on board to make the experience even more special.

Our camp keeps things personal with a small enrollment, which means your son will receive plenty of individual attention in small classes. Plus, we offer optional, free specialized programs in competitive canoeing, swimming, soccer, tennis, sailing, and softball.

We've got a wide variety of land sports like lacrosse, soccer, archery, and more. And when it comes to water sports, we offer everything from swimming to kayaking. These activities not only help improve fitness and stamina but also flexibility.

But here's the best part – participating in these sports helps build self-confidence. So, even if your son isn't the most active right now, Chikopi is where he can discover his inner athlete and become more self-assured while having a ton of fun. It's the perfect summer adventure for kids of all energy levels!

Swimming

Camp Chikopi is famous worldwide for its approach to swimming, and even if your son is more inclined to relax than exercise, we have something special for him:

At Chikopi, we cater to all swimming levels and abilities. When your son arrives, we assess his skills based on Life Saving Society and Red Cross standards. Even if he's not an aspiring Olympic swimmer, our camp is the ideal place for him to improve his swimming skills and gain greater water confidence.

So, if your son prefers floating on an air mattress to racing in the pool, Chikopi will help him feel at ease in the water. It's not just about competition; it's about enjoying and feeling comfortable in the water. We've got something for everyone, and he's sure to have a great time!

Triathlon

Chikopi is the perfect place for boys who want to explore the world of triathlon training: Our camp is a great fit for those who are both experienced in triathlon or just getting started. Every day, there are chances to swim, bike, and run. It's a fantastic way to dip your toes into triathlon training while enjoying the beautiful camp surroundings.

So, even if your son is more inclined to take it easy, Chikopi offers a laid-back introduction to triathlon training. It's all about having fun and trying new things at your own pace. Join us, and he might discover a newfound love for active adventures!
