Stamps: Stamps and phone-cards are sold at the camp store. Please note: only Canadian-issued stamps may be used in Canada.

Note: Camp has its own laundry. Clothing should be washable, light, and require NO ironing. It is very important to put your sons name on absolutely **every thing** that he brings to camp, not just clothing. It is our only means of recognition for lost items. Laundry is done every week, so please do not pack excessive amounts of clothing.

Note: The camp store sells all the toilet articles that your son may run out of while at camp.

Note: Rental will only be provided if selected on the Registration Form.

Note: Due to our concerns for the environment we request that campers refrain from the use of aerosol cans.

The Do's And Don'ts Of Packing For Camp

1. Please use the packing list as a guideline, remembering that we do laundry once a week.
2. It is important your child's name is on absolutely everything he brings to camp, including; the clothing he wears for the journey to camp, all socks, shoes, underwear, towels, books, cameras, luggage, etc. Please Do Not use initials. It is our only means of identification if an item is misplaced on camp or off camp. Items left behind at camp will be put in storage and returned the following year the camper returns to Chikopi.
