## PARENTS' OBJECTIVES AND EVALUATION OF ACHIEVEMENT

Dear Parents,

Our main concern during the summer is to create a full and meaningful experience for your son.

**YOUR** expectations in this regard can be very helpful. If there are any **non-medical** concerns you would like us to be aware of, please list them below and on the reverse side as needed.

Please complete the section below and return it with the other information. Although the following objectives are listed generally, please be specific in your comments

Thank You.
