## VISITOR REGISTRATION

2010 CAMP DATES:

7 Weeks: June 23-Aug.11    4 Weeks: June 23-July 21    4 Weeks: July 14-Aug.11

Dear Parents,

YES, we do want you to visit camp. We are proud of our camp, and we want you to see your children in action. We have no formal visitor days. Visit any time after the first seven days, so everyone has a little time to get adjusted and get over any initial homesickness. This will get our camp routine started so we are able to spend some time with you.

We do not change our program or meals when you visit. We are sure you will like what you see and what you eat. You will have fun too, with no special show for your benefit. Individual meals are as follows: Breakfast \$6.00, Lunch \$7.00, Dinner \$8.00.

**THE BANQUET:** Tuesday August 10<sup>th</sup> 6.00pm. The traditional end-of-camp Banquet is always a hit. If you can, try to make it to the tradition, excitement and emotion of the banquet. Campers and parents from the first 4 week session are also welcome to attend.
