Dear Colette,

I'm so glad to hear that you were left with a good impression of Rodrigo's work and performance.

He made very good friends and came back home tired but happy.

I'm sending you a big hug and I hope you also get some rest after these busy months.

May God bless you.

Dear Colette,

Thank you so much for your kind words about Joshua. It means a great deal to us to know that his good character and growth were so evident this summer. He truly loved every moment of being a CIT at Chikopi and learned so much from the experience. We are hopeful he'll have the chance to return next year as a Junior Counsellor.

We hope you and your family are doing well. Please pass along our warmest regards to the team, and thank you again for all the support and encouragement you've given to our boys.

Irina.

Hello, nice to hear from you, Thomas is doing great. He was telling me all about the one 10km run through the forest and into town he did and how much he really enjoyed that. He is definitely a runner over swimmer haha.

Best regards;

Kelly

Dear Collette,

I hope you are well and enjoyed the remainder of the summer.

Kiran had a super time at Camp Chikopi. Thank you so much for providing him with such a positive and memorable experience. He is so proud of completing the 10k run, the Mile swim, and all the independence that came with being away from us for 2 weeks. He often shares about his experiences with others, and speaks fondly of the friends he made and accomplishments he is proud of. I think he would love to return next summer, but we will first have to see about some family commitments before registering him.

With kind regards,

Stephanie

Yes Matthew is getting off to a great year. Thanks for a wonderful experience for him, he talks about camp often! He absolutely loved it! He even sketched a drawing of the main building for Coach Phil when he got back!

Hi Colette,

Patricio had lots of fun. He is here with me and says hi. He is wondering who won camper of the year. Also, he wants to know if you are planning on watching the World Cup games this summer haha.

Thank you Collette,  
I am so glad that Charlie's experience at Chikopi was a positive one. ... He's already running cross country, swimming on his local team and he's a prefect at his high school. 😊 You may meet a quite a different fellow next year....

Thank you so much for welcoming Charlie. I shared of course that it was personally very fulfilling to know that he was there. The biggest reward however, was that he had a blast and tackled some very worthwhile challenges.

I hope that you have a fabulous year.

Karen

Hello Colette,  
I apologize for the delayed reply. I am very grateful for this opportunity that I had to work at Chikopi this summer. It was very enjoyable and truly one of the best summers of my life. If the opportunity arises I would love to be able to come back to Chikopi. Thank you for everything.

Thanks again for having Aidan. He left behind water shoes a white shirt and underwear which I am sure will go to Goodwill or someone who takes better care of their clothes!  
He had a great time! He told me about his mile swim and learning to square dance!  
Many many thanks again  
Lynn

Colette:

We want to thank you and your staff for your support with Mateo. He arrived to Mexico very happy with many lessons learned about hard work, discipline, resilience, friendship and many things. Yesterday he told us how he enjoyed this summer again at Chikopi. He also told us that meals were super OK. Hopefully he can be welcome again next summer at Chikopi. All my family are very grateful with Chikopi and Ak-O-Mak for many great summers. Ana really enjoyed visiting Chikopi and meet you in person.

Thanks

Javier

Hi Colette,

I'm all set now and can see the photos. It makes me want to be a camper as well, though I doubt I'd make it through some of the exercises!

Coach Phil let me know that Arun finished the Chikopi mile yesterday at 45:05. Swimming long distance has not been his forte, and he was tired but Coach Phil didn't let him give up. I'm so proud of Arun for not quitting and he must be feeling a great sense of accomplishment and increased confidence as well. I can't wait to hear all about his experience. Thanks again for giving these youths such an experience. It will really serve them well in so many ways.

Regards,

Nadira
