How: Complete and return the Enrollment Form

## **Where Boys Grow Stronger**

For more than one hundred years, Camp Chikopi has been a place where boys grow, explore, and learn who they are. Set beside beautiful Ahmic Lake, Chikopi gives boys the chance to live, play, and learn together without phones, games, or screens.

Founded in 1920 by Olympic Coach Matt Mann II, Camp Chikopi is the world's first all sports camp for boys. Each summer, campers from many countries come together to build confidence, independence, and lifelong friendships.

## **A Day at Camp Chikopi**

Every day is filled with activity, teamwork, and fun. Morning fitness and sports training. Family style meals. Cabin teamwork and responsibility. Team games and friendly competitions. Canoeing, sailing, swimming, and more. Campfires and stories under the stars.

There is no technology, only nature, laughter, and the sound of the lake.

## **Sports and Adventure**

Chikopi offers more than twenty five land and water sports. Campers enjoy swimming, soccer, canoeing, running, tennis, sailing, archery, and triathlon training. Our world famous swimming program welcomes beginners and advanced swimmers. Every camper is guided by trained staff to improve skill and confidence. Sports at Chikopi build more than strength. They build teamwork, focus, and resilience.

## **Life at Camp**

Campers live in comfortable lakeside cabins with two or three counselors. Delicious home cooked meals are served family style, and most dietary needs can be met. Facilities include beaches, playing fields, tennis and basketball courts, and a fifty meter in lake swimming pool. With a three to one camper to staff ratio, every boy receives personal care and attention.

## **Safety and Health**

Safety and health are our highest priorities. All staff complete safety checks and hold First Aid, CPR, and Lifeguard certificates. A doctor is on call twenty four hours a day, and the camp is close to hospital services.

## **Our Values**

Chikopi teaches respect, responsibility, and kindness. Weekly gatherings focus on friendship, leadership, and character. These lessons guide boys long after the summer ends.

## **Why Parents Choose Chikopi**

Parents value our technology free environment, strong safety standards, and focus on personal growth. Boys return home healthier, happier, and more confident.

## **Enrollment**

Camp Chikopi welcomes only seventy campers each summer, creating a close and personal experience. Enrollment is first come, first served. To secure a place, complete and return the Enrollment Form early. Session dates, fees, and payment details are on the form.

Transportation is available from Toronto Pearson International Airport or The Four Points by Sheraton in Toronto. Families may also drive directly to camp.

## **Since 1920 – 106 Summers of Fun**

Camp Chikopi is more than a summer camp. It is a place where boys grow stronger, build character, and discover joy in living active, confident lives. Give your son the experience of a lifetime.
