Camp Chikopi is a traditional overnight summer camp for boys ages 7 to 17, located on the shores of Ahmic Lake in Ontario, Canada.

Founded in 1920, Camp Chikopi is recognized as the world's first all-sports boys' camp. Today, we remain proudly family owned and operated, welcoming campers from across Canada, the United States, and many other countries. Our program is intentionally screen-free and built around clear routines, active days, and simple values that have stood the test of time.

At Chikopi, boys enjoy an active summer filled with a wide variety of land and water activities, including soccer, baseball, tennis, basketball, lacrosse, football, swimming, sailing, canoeing, kayaking, and many more. Our program encourages boys to try new activities, build skills at their own pace, and have fun in a supportive outdoor environment.

Session Lengths Are 2 to 6 Weeks.
