

Arrival - Pearson International Airport (YYZ)

Our number one goal is to ensure the entire camp experience is incredible for your son which includes his arrival and departure. To assist you with the booking process here are some things you should know before you book your son's flight:

- **Campers' arrival.**

Parents and guardians must book their child's flight to arrive at Pearson International Airport (YYZ). Their arrival must be on the session's start date between the times of 11am and 2pm.

*We do make exceptions for International campers who have only one arrival option and cannot make a flight between 12 noon and 4pm on the start date of camp, however, you must receive pre-approval from the office!

- **We have representatives.**

Immigration, Customs and Baggage claim will take approximately one hour. Camp Chikopi will send a representative to meet your child at Pearson International Airport (YYZ) when he exits the baggage claim area. From here, our representative will take him to the waiting spot in the Terminal or at a hotel across from the airport. Here, he will wait with any other campers who have arrived. The boys are supervised at all times throughout the wait.

- **Unaccompanied minors.**

If your child is flying as an unaccompanied minor, please provide us with the Booking Reference Code on the Travel Information form. Our camp representative will meet your son and the Airline personnel to sign for receipt of your son.

Your son will join the other campers at the Terminal/hotel. For the departure trip, the campers are transported back to Toronto International Airport (YYZ) and we will assist your son with the check-in process and hand him over to the Airline personnel.

You can find more unaccompanied minor age information with the airline.

- **We travel to camp together.**

Once all of the campers arrive, the vehicle will take staff and campers the three and a half hours north to Camp Chikopi. From there the campers will proceed to have their best summer ever.

Departure on the last day of Camp

Everyone dreads the end of camp after an amazing summer, but when the time comes it's important to know what comes next. On the last day of their session, campers who have booked transport to Toronto will take the **9am** camp transport, they will arrive at Pearson International Airport at 12.30pm. Flights must depart after 3.00pm and before 6.00pm. Representatives will help each camper check in their luggage and assist with all the airport processes for their flight back home. Staff members stay at the airport until the last flight has departed. Make sure your camper has their booking reference #, has paid for or has a credit card to pay for baggage or travel fees and we'll take care of the rest!

Updated Airport Policy: all baggage and travel fees must be paid by credit/debit card.
