

Arrival - Pearson International Airport (YYZ)

Our number one goal is to ensure the entire camp experience is incredible for your son which includes his arrival and departure. To assist you with the booking process here are some things you should know before you book your son's flight:

- **Campers arrival.**

This is where you come in. Parents and guardians must book their child's flight to Pearson International Airport (YYZ). Their arrival must be on the session's start date between the times of 12 noon and 4pm.

**We do make exceptions for International campers who have only one arrival option and cannot make a flight between 8am and 11am on the start date of camp, however, you must check with Camp Chikopi in advance!*

- **We have representatives.**

Immigration, Customs and Baggage claim will take a minimum of one hour. Camp Chikopi will send a representative to meet your child at Pearson International Airport (YYZ) when they exit the baggage claim area. From here, our representative will take him to the waiting spot at a hotel across from the airport. Here, he will wait with any other campers who have arrived. The boys are supervised at all times throughout the wait.

- **Unaccompanied minors.**

If your child is flying as an unaccompanied minor, please be sure to give us the Booking Reference Code on the Travel Information form. Our camp representative will meet your son with the Airline personal to sign for your son.

Your son will join the other campers at the hotel. For the departure trip, the campers are transported back to Toronto International Airport (YYZ) and we will assist your son with the check-in process and hand him over to the Airline personnel.

You can find unaccompanied minor age guidelines with the airline directly.

- **We travel to camp together.**

Once all of the campers arrive, the bus will take staff and campers the three and a half hours north to Camp Chikopi. From there the campers will proceed to have their best summer ever.

Departure on the last day of Camp

Everyone dreads the end of camp after an amazing summer, but when the time comes it's important to know what comes next. On the last day of their session, campers who have booked transport to Toronto will take the **9am** camp transport, they will arrive at Pearson International Airport at 12.30pm. Flights must depart after 2.30pm and before 8pm. Representatives will help each camper check in their luggage, and assist with all the airport processes for their flight back home. Staff members stay at the airport until the last flight has departed. Make sure your camper has their booking reference #, has paid for or has cash for any baggage or travel fees and we'll take care of the rest!

Camp Chikopi – All Boys Sleepover Sports Camp

Prepare for your camper to arrive home with confidence, new skills, and memories of friendship and adventure. You can assure peace of mind at all times knowing that Camp Chikopi is an OCA (Ontario Camps Association) accredited camp. We have a medical doctor available at all times to ensure health and safety needs are met. Our campers well-being is always our top priority, followed closely by fun and adventure.
